HÉRAULT, Mme Charles-Antoine, née Marie-Geneviève de Lens

Paris c.1655–c.1712

Wife of a landscape painter and mother of Marie-Catherine, Mme Louis de Silvestre (*q.v.*). The only indication that she was a pastellist is in Silvestre 1869 who states that Marie-Catherine was taught by both her father and her mother "qui excellait dans d'art de peindre au pastel et en miniature".
