## **BAILLE, Marie-Reine-Pétronille**

Besançon 31.V.1769–21.V.1850

A group of portraits in pastel, watercolour and miniature by members of this family were included in the Besançon 1906 retrospective exhibition, made by Reine and her nephew Edouard (1814–1888); whether her pastels were done before 1800 is unclear.
