BEHAM, Hans Sebald

Nürnberg 1500 – Frankfurt am Main 1550
German printmaker and miniaturist. He was exiled from Nürnberg in 1525 for heresy, and settled in Frankfurt in 1532. Lavallée suggests that he used pastel for some sheets in the Albertina. Meder mentions portraits from the 1530s by his brother Barthel Beham (1502–1540).
