

Neil Jeffares, *Dictionary of pastellists before 1800*

Online edition

BERGHE, Pieter van den

Amsterdam 1659–1737

Also Berge. Printmaker active in Hamburg 1689–92 and Amsterdam (from 1694 until his death). It is not certain if he was the pastellist responsible for the 1720 portrait of a girl; an anonymous print of it exists, but with the sitter's features made older.
