

Neil Jeffares, *Dictionary of pastellists before 1800*

Online edition

BIANCHI, Pietro

Rome 1694–1740

Religious, history and mythological painter and draughtsman, sometimes called il Creatura di Baciccia; pupil of Luti (*q.v.*), Ghezzi and Gaulli. The item from the Saint-Morys sale is in the section of drawings under glass in gouache or pastel, and unlikely to be the latter as there are no other examples.
