Online edition

BOQUET, Louis-René

Paris 1717–1814

He designed costumes for the Opéra and was an inspector at the Menus plaisirs; father of Jeanne-Angélique and uncle of Mme Filleul (*q.v.*). He is likely to be the “M. Boquet” who owed Jean-Nicolas Vernezobre (*q.v.*) 1 livre dix sols for the purchase of pastels recorded in the supplier’s 1760 accounts.
