Online edition

## **DUVAL, Mme Pierre, née Anne-Charlotte Deleplancque**

? – Paris 25.v.1738

Mme Duval died the year after her second husband (*q.v.*), still in rue Saint-Martin (AN Y 14533). Her first husband was Antoine de Sommaville, imprimeur en taille-douce, presumably the son or relation of the important Paris publisher of this name (1597–1664). The only record of her activity as a pastellist is the item in her second husband's inventaire (AN MC XCI/1209, 16.ii.1737) of “Cinquante deux pastelles faits par la d[ite] Veuve Duval prisés ensemble vingt sols.”
