Online edition

## **GANDINI, Francesco**

Cremona 1723 – St Petersburg c.1778

Pupil of Girolamo Bonini and Ercole Graziano in Bologna before moving to Rome c.1742, where he studied with Subleyras. The portrait painter and engraver was active in Venice, Bologna, Rome and Dresden, where it is said he copied numerous pictures from 1752. De Boni states that he worked in pastel.
