## **GOZZI, Luisa Bergalli, contessa Gasparo**

Venice 15.IV.1703–18.VII.1779

Poet, playwright and translator. Carriera portrayed her in 1724, and the two were friends and correspondents over several decades. She married in 1738. In a letter of 24.II.1741 she wrote to Carriera to thank her for sending her some pastels from which it may be inferred that she was an amateur pastellist.
