JESSOP, Mrs

fl. London 1750

A Miss Yessop appears in Arthur Pond's accounts as the purchaser of "a crayon paper" (2s. 6d., 27.VIII.1747), possibly the same as the Mrs Jessop to whom he supplied "crayons and Tiffany" (2.XI.1750, £1 6s.); no doubt an amateur pastellist wishing to buy a small quantity of material.
