

Neil Jeffares, *Dictionary of pastellists before 1800*

Online edition

KISLING, Johann Ludwig

1761–1815

Possibly related to the Franz Joseph Kisling who was portraitist and miniaturist at Mannheim. An example from the first decade of the nineteenth century, erroneously reported as in pastel, is in fact one of a number of oil paintings are known, mostly copies of portraits of members of the Baden ruling family.

Portraits in other media

KARL FRIEDRICH Großherzog von Baden
(1728–1811), pnt., sd Kisling pinxit 180?
(Baden-Baden, Neues Schloß Niederbaden) φ
