Online edition

## **LEFEBVRE, Louis-Joseph**

– Paris 1799

Possibly to be identified with one of the numerous homonyms. According to his posthumous inventory, carried out 17.II.1799 (AN MC XXVIII/590) by the artist François Destouches, Lefebvre, who was married to Anne-Elisabeth Durand (by contract of 24.XI.1769, AN XLII), rue des Lions Saint-Paul no. 17, division de l'Arsenal, Lyon, left a number of history pictures and sketches, among them a tête de femme au pastel, and other “pastils”. By a deed of 4.VIII.1788 Mathurin Durand, father of the wife, settled his fortune on the children of the marriage (AN Y5169<sup>A</sup>; the deed bears Lefebvre’s signature).
