## **LA TAURRE, de**

*fl.* Bordeaux 1769

Charles Marionneau's collection of records of artists visiting Bordeaux (Bibliothèque municipale, MS 2047) included in 1769 a "De la Taurre, peintre en mignature et pastel", a pupil of Massé and Boucher, "rue Sainte-Catherine, chez Mr Gray, Md de modes, puis rue du Loup, maison de Monsieur l'Abbé de Fourcade". The advertisement in the *Annonces, affiches et avis divers ... de Bordeaux* (30.XI.1769) from which he derived this in fact spelled his name "de la Taure" and mentioned only Boucher.
