

Neil Jeffares, *Dictionary of pastellists before 1800*

Online edition

MARTINI, Giorgio Cristofano

Saxe-Gotha 1685 – p.1739

History painter and portraitist in oil, miniature and pastel, apparently of German origin. He studied law as a youth but became interested in antiquities and medals. He then studied at the academies in Venice and Rome, under Martin van Meytens. He had been working in Lucca for some years when Gabburri wrote his note.
