## **PAAR, Gräfin von**

*fl.* Vienna 1760–68

Mlle Paar paid an undisclosed amount for lessons with Pierre-Joseph Lion (*q.v.*) during his stay in Vienna 1760–68. No doubt a relative of Johann Wenzel Fürst Paar (1719–1792), Generalerblandpostmeister, possibly his daughter Maria Theresie (1746–1818); she married Johann Nepomuk Josef Buquoy or Bucquoy (1741–1803), and was the subject of a well-known portrait by Vigée Le Brun made in Vienna in 1793.
