## **PÉRILLON, François-Simon**

Reims 1743 – Lyon 1804

History painter and portraitist, active in Soissons and Paris. The son of André Périllon, a vitrier, and Marie-Élisabeth Simon from Reims, on 3.ii.1768 he married Marie-Claude Gadiot, daughter of a fabricant, at Reims (Saint-Jacques); she survived him. A curious oil Rieur, 1776, in Reims seems to anticipate of Lequeu as much as Ducreux. Only one pastel is known, of considerable quality.
