Perronneau: Concordance with Arnould 2014

Set out below is a concordance between the online *Dictionary* J numbers and those in Arnould 2014. The list includes only pastels (or works thought to be in pastel), so many Arnould numbers do not appear. Conversely many numbers in the *Dictionary* correspond to later œuvres mentionnées, copies and rejections which are not systematically catalogued in Arnould (“no.” refers to the catalogue numbers, “p.” to pages where other works are mentioned). For details (including references in V&RdL etc.) the *Dictionary* should be consulted; searching with the exact number is the simplest.
