### RAOUX, Jean

Montpellier 1677 – Paris 1734

Raoux was a fashionable portraitist in oils, *agréé* 1715, *reçu* in 1717; for Mariette, despite his careful handling, he drew badly and painted weakly, remaining always “un artiste assez médiocre”. A few pastels attributed to him are more likely to be a copies. Among his pupils, Jean Chevalier (*q.v.*) was a pastellist.
