ROUOT, de

fl. Berlin 1797–98

In addition to his exhibits, “Herr de Rouot” or “v. Rouot” submitted a Begutachtung von Pastellmalereien to the Berlin Akademie session of 14.1.1797. He was probably a French émigré, possibly a member of the family of Lorraine magistrates. A Nanine de Rouot was governess to the children of the Berlin doctor Ernst Ludwig Heim at the time. Soon after “Ms. de Rouot” is recorded as the French language tutor of the young Friedrich Wilhelm IV.
