## SCHILLY, Jean-Adam

Paris 1750–p.1792

Schilly, probably from an Alsatian family but born in Paris, was a pupil at the Académie royale in 1770 when he won second medal for a chalk male academy (ENSBA, inv. EBA 2811). He married an Anne-Julie Barbier in Paris 11.VIII.1782 (AN MC/RE/XLVI/8). His carte de sûreté, issued 21.XII.1792, provides his profession (peintre), age (42), place of birth (Paris), present address (15 rue des Petits Augustin) and previous address (rue de la Sourdière).
