

# Neil Jeffares, *Dictionary of pastellists before 1800*

Online edition

## **TERRY, L.**

*fl.* ?England 1790

Unrecorded artist known only from the signature on an accomplished and unusual fruit piece. It is possible that the work is later and the date (apparently 1790 but possibly 1740) misleading; a Luther Terry was active in Rome in the mid-nineteenth century, but was not known as a pastellist.
