

Neil Jeffares, *Dictionary of pastellists before 1800*

Online edition

TEXIER, Mlle

fl. Paris 1772–73

Exhibited portraits at the Salon de la Jeunesse in 1772, which Sanchez infers may have been in pastel. She may have been related to the Gabriel Texier (1758–) whose 1792 *carte de sécurité* lists him as a painter; an entry in the registres de tutelles provides more information on his family.
