

Neil Jeffares, *Dictionary of pastellists before 1800*

Online edition

WERZEL, Johann Adam Ludwig

Mönchberg 1736 – ?Ansbach p.1805

Amateur pastellist and draughtsman and print collector. After studying he travelled extensively before being appointed Pagenhofmeister in Ansbach; he later rose to be Kön. preußischer geheimer Hofrath. He appears to be the same figure described in Meusel, although Füßli gives this a separate entry.
