CALDER, Lady, née Louisa Osborn

1751 – Maidstone 7.XI.1820

From the inscription on the back of this 1787 pastel, we can identify the amateur pastellist as Louisa Osborn, the baby's maternal aunt, daughter of Henry Osborn, Admiral of the White; two years later she married Sir Henry Calder, 4th Bt, a major-general and lieutenant-governor of Gibraltar in 1790.
